Eco Flex Scheme

Apply now for free insulation and energy efficient upgrades

NCC are encouraging applications for the ECO4 scheme, from households that:

- Live in 'off gas' homes
- Own or privately rent a home which is not energy efficient (i.e. has an Energy Performance Certificate of Band E, F or G). If you are unsure what your property's EPC rating is currently registered as, please check on: <https://www.gov.uk/find-energy-certificate>

and

- Have a household income of below £31,000

If this is of interest to you please see information on Newport City Council website or scan the QR code.
